HOTEL

## Philippe Starck

**Philippe Starck** is an internationally acclaimed French creator, designer and architect. His profound comprehension of contemporary mutations, his determination to change the world, his anticipatory concern for environmental implications, his love of ideas, his desire to defend the intelligence of usefulness - and the usefulness of intelligence - have accompanied one iconic creation after the other.

# LOBBY

S Hotel's professional staff is always available to assist guests whether it be for making dining reservations, booking transportation, travel information, recommending night life hot spots and any other requests, we provide top services to our guest.
